

ENVIRONMENTAL DEFENDERS

Together we can help protect and restore our oceans & parks.

Our environmental Defenders program is a group activity which Provide the perfect Platform to meet people, develop friendships and Learn new skills.

Come join us and be part of a passionate, motivated friendly team who works together to Help save our environment.

Participant goals to be achieved in this program:

- What can be harmful to the environment.
- Protecting our wildlife.
- Caring for our coasts.
- Creating a compost.
- Recycling activities.
- Local creek clean up.
- Water saving ideas.
- Light and power saving.

Make **A** Difference

PROGRAM INFORMATION

WEEK	DATE	DAY	TIME	GOAL & PLAN
1		Monday		Education - What can be harmful to the environment?
2		Monday		Meaningful and Hands-On Climate Change Activities - Connecting to Nature.
3		Monday		What is harmful to wildlife?
4		Monday		Pick up trash in the community.
5		Monday		Recycling Activities - Recycling is even more fun when you create something new!
6		Monday		Plant a garden or tree to beautify (or feed!) our community.
7		Monday		Give Greener this Holiday session - Make your own gifts: knit, sew, bake, build, or create art from reused items.
8		Monday		Track your carbon footprint – Carpool, turn off the lights, don't waste water, recycle.
9		Monday		Local creek clean-up.
10		Monday		Take a walk on the wild side! - Explore animal habitats, from rainforests to deserts and everything in between.
11		Monday		Caring for our coasts: beach clean-up.
12		Monday		Create a Compost – turning things like food scraps and dead leaves into fertiliser for new plants by letting it all decompose into a kind of dirt that's full of vitamins plants love.
